

Women's Jumper Crenas

Felt Clogs

Design by Bev Galeskas

Fast and easy felt clog slippers knit with double yarn. Designed to create a very thick, firm fabric when felted, they feature double soles for extra comfort and longer wear.

Choose a classic low heel, or a higher, more closed heel as shown in gold. Join soles with a "bumper" as shown on the 2-color clogs, or with a plain join as shown in solid colored clogs.

Sizes: Women's sm, med, lg and men's med and lg.

To fit shoe size up to women's 6, (8, 10) and men's (11, 13).

Controlling the felting will give you a custom fit.

Yarn Requirements:

Choose a worsted weight wool that felts easily to a firm fabric.

Clogs are knit with a double strand throughout.

Important: To insure success always test felt your yarn in the color (colors) you will be using. Work a 5"- 6" square in main color, add 4 - 6 rows of contrast if one will be used, then felt sample to check results.

Yardage: Approximately 550 (600, 650 / 750, 850) yards per pair. This yardage allows for yarn to be held double throughout. 2-color slippers will require approximately 1/3 of this yardage in upper color and 2/3 in sole/cuff color.

Optional: Fiber Trends' Suede Slipper Soles or Slipper Bottoms.

Needles: US size 13 (9 mm), 24" (60 cm) circular. You will also need a spare circular needle in a smaller size.

To substitute straight needles, see note on back of insert.

Unfelited Gauge: Approximately 9 sts = 4" (10 cm).

Felting Gauge: Approximately 12 sts = 4" (10 cm).

Stitches and Abbreviations Used:

RS or WS: Right side or wrong side.

Garter Stitch In Rows: Knit all rows.

Stockinette Stitch In Rows: Knit on RS, purl on WS.

k2tog or p2tog: Knit or purl 2 sts together as one.

ssk (slip, slip, knit): Slip 2 sts, one at a time, as if to knit. Slide the left needle through the front loops of these sts, from left to right, and knit them together from this position.

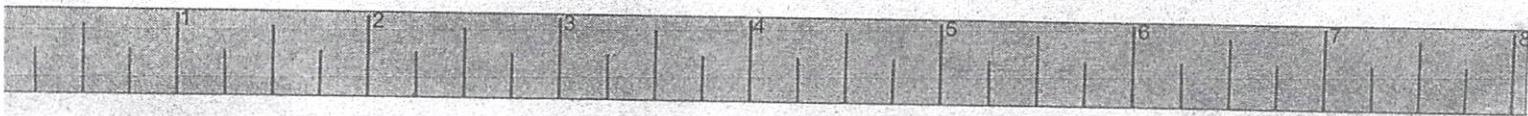

m1 (make 1): Insert left needle, from front to back, under the horizontal strand between last stitch worked and next stitch on left needle, forming a loop on needle. Knit through the back of this loop.

W&T (Wrap & Turn): Work up to turning point, slip next st (purlwise) onto right needle, bring yarn forward between needles, return slipped st to left needle, turn to work in the other direction.

Important Notes:

- 1: Center of soles are joined with a seam. Use a loose overcast stitch, keeping the seam flat. Seams will disappear when felted.
- 2: Instructions are written for the smallest size with changes for larger sizes in parentheses. A / separates the numbers for women's and men's sizes.
- 3: When extra rows are given for larger sizes a - indicates no number for that size and a • marks the place where instructions continue for all sizes.
- 4: Make 2 slippers the same. After wearing, the felt will mold to your feet to form a right and left.
- 5: For 2-color clogs, begin with sole/cuff color, change to upper color where indicated. Use sole/cuff color again for cuff and outer sole.

Cuff: Change to sole/cuff color if making 2-color clogs.

Continue working on RS of slipper.

Round 1: Knit.

Rounds 2 through 6: (RS) Purl.

From the wrong side (inside of slipper), use the spare circular needle to pick up the back loops of round 1 of cuff. There should be 41 (43, 45 / 47, 49) loops on the spare needle. With wrong sides together (purl side out), fold the cuff so that the two needles are together. Hold both needles in your left hand.

With working needle, *knit together a stitch from the front needle and a stitch from the back needle,* repeat around, *casting off loosely at the same time*.

Cut yarn and fasten off.

Outer Sole: First sew the seam in sole of slipper (see note #1 on page 1).

Beginning at heel with right side facing, use the spare circular needle to pick up the top loops of the last ridge of garter st around outer edge of slipper sole.

(79, 85, 91 / 97, 103 sts on spare needle)

Set slipper aside.

Cast on and make a second sole following rows 1 - 7 of inner sole for your size.

Follow joining instructions below for your choice of styles.

A Plain join (shown on solid color clogs):

(Use this join if suede soles will be added later) Place outer sole over the outside of first sole and hold both needles in your left hand. With the bottom of outer sole facing and beginning at heel, join and cast off at the same time, as for cuff.

To join with a 'bumper' (Shown on the 2-color clogs):

Place outer sole over outside of slipper sole and hold both needles in left hand.

With the bottom of slipper facing and using the working needle, knit the two soles together as for cuff, but *do not* cast off.

Next round: (k1, m1) 2 times, (k2, m1) 2 times, k20 (23, 26 / 29, 32),

(m1, k4) 3 times, m1, k3, m1, (k4, m1) 3 times, k20 (23, 26 / 29, 32),

(m1, k2) 2 times, (m1, k1) 2 times. (95, 101, 107 / 113, 119 sts)

Last round: Knit, casting off loosely at the same time.

Finishing: Sew seam of outer sole.

With matching wool and working down center of sole, use a *very loose, short back stitch* to tack the 2 soles together. Do not use long or tight stitches, as they may distort the sole when felted.

Work in remaining yarn ends.

Follow felting instructions on the back of this page.
